

KEITH Jamieson, who helped Hendon to the Amateur Cup last season, has joined Wycombe Wanderers, and could be lining up for the Blues Isthmian League encounter against St. Albans City tonight (Tuesday) at Loakes Park (writes Stuart Earp).

Wanderers are awaiting his clearance papers from the Isthmian League to determine whether he can play tonight.

Jamieson was with Hendon last year and played against Wycombe in their Amateur Cup 2-1 defeat at Griffin Park, Brentford. He has been with Slough Town and has been playing at Church Road, Hayes this season.

A mid-field player, Jamieson was in the Rest of the League side which went down 2-1 against Wycombe last week. He could well fit into the team along

side Larry Pritchard and although not a prolific goalscorer, his greatest asset is in his passing and distribution. He apparently joined the Loakes Park club in a bid to enhance his England claims.

The club report a clean bill of health for tonight's match after their tough F.A. Cup defeat at Walton on Saturday and no doubt both players and fans will be hoping for a better standard of refereeing tonight.

Wanderers manager Brian Lee made a complaint about referee Revell to the Isthmian League representative at Walton on Saturday. Mr. Lee felt that two top sides could expect a reasonable standard of officiating in an F.A. Cup tie of such importance.

It is somewhat surprising that a County (Herts F.A.) referee

was selected to handle the match. The F.A. do not appoint referees until the first round proper.

St. Albans manager John Drabwell has been going through quite a torrid time with the Saints since they drew 1-1 with Wycombe at Clarence Park on September 12. Ten players have left the club this season, including two last week.

Former Wanderer Geoff Anthony has left for Slough Town, Les Burgess joined Walton, Roger Grant went to Finchley and two of their best players — John Neville and Bill Ratty have signed on for Hayes and Bishop's Stortford respectively.

In their places are Delroy Rhoden, who scored one of Walthamstow Avenue's two goals against Wycombe earlier this season and John Hobbis,

formerly of Slough and Hayes. It will be Hobbis' debut for the club. Other newcomers include Alan Droy, brother of Mick Droy the ex-Slough and now Chelsea centre half and John Lamb, who played in Wycombe's 8-0 trouncing of Oxford City.

Recent defeats include Ilford, Hayes, Hendon, Sutton and Kingstonian while the Saints fell 3-2 in the F.A. Cup at Barking on Saturday. Two goals in the last three minutes brought their downfall.

The new look youthful St. Alban's team will be hard pressed to hold a Wycombe attack seeking a return to form after Saturday.

**FORMER** Wycombe Wanderers mid-field star Julian Lailey has told the England International team boss Charles Hughes that he will be unable to play for his country for some time.

Julian is at present teaching at Cheltenham Grammar School and is too busy to play additional football. He is with Southern League club Cheltenham Town at the moment.

Wycombe's conquerors in the FA Cup on Saturday, Walton and Hersham, have been drawn at home to Dartford in the fourth qualifying round. Luck certainly seems to be with Walton this season. It is the third time they have been drawn to play on home territory in the Cup.

Other interesting ties see Sutton United, 3-1 winners over Wimbledon, visit another Southern League side Margate while Bishop's Stortford entertain Dagenham. The two other Isthmian League sides left in the competition, Barking and Hayes have been drawn against each other at Church Road. Hellenic League Witney Town visit Frome (Somerset) if they beat Banbury United in tonight's replay.
